Instrument Certification at the 2025 SARWP Conference

ClearTech is happy to offer certification, calibration and maintenance for portable water quality instruments at the 2025 SARWP Annual Seminar.

ClearTech's qualified service technicians will provide optical cleaning, an operation check, primary standard calibration, and certification of your water quality instruments.

Turbidimeters	
2100P or 2100Q	$270.80
TB350	$163.33
TB200 or TB250	$95.83
Colorimeters	
DR 800	$233.33
DR 300	$133.33
Pocket Colorimeter II	$133.33
