8:00 AM to 4:30 PM **Clear-Tech Instrumentation**

8:30 AM to 4:30 PM **CONTINUING EDUCATION UNIT (CEU) TRAINING**

CEU Training (with Dawn Dierker):

8:30 a.m. to 4:30 p.m.

Understanding Regulations – 0.6 CEU

This workshop gives the attendee a better understanding of the regulatory requirements under federal and provincial legislation as it applies to the water and wastewater utility. The federal Drinking Water Quality Guidelines, The Wastewater System Effluent Regulations and the Provincial Waterworks, and Sewage Works Regulations will be discussed in detail during this 6-hour workshop. As part of the SARWP Seminar, there will be added focus on distribution and pipeline regulatory requirements. There will be time for a Q&A period at the end of the workshop.

Application to Operator Certification Board has been submitted for 0.6 CEU accreditation for this workshop

Lunch will be provided.
