---

July 18, 2023

The Saskatchewan Association of Rural Water Pipelines (SARWP) will be hosting their annual seminar in Saskatoon on **Tuesday, December 5 and Wednesday, December 6, 2023.**

The seminar is once again being held at the Park Town Hotel in downtown Saskatoon.

This association was officially formed at a similar seminar held in December of 1997. The response to past seminars has been very good and participation from sponsors/exhibitors has been well received.

SARWP believes that companies/organizations like yours play an important role in supplying quality water to the rural residents in Saskatchewan. As such, we would like to provide you with an opportunity to bring awareness of your quality products and/or services to conference attendees. Our continued success is made possible because of the generous contributions we receive from our sponsors. We invite you to sponsor at one of the following levels:

DIAMOND	-	over \$3,000.00
Platinum	-	\$ 1,500.00 – 2,999.99
Gold	-	\$ 500.00 – 1,499.99
Silver	-	\$ 201.00 – 499.99
Bronze	-	\$ 200.00 or less

Item for the Silent Auction

**EXHIBITORS** - Exhibitors will have an opportunity to display their products during the seminar at display tables that are available for rent at a cost of **\$500.00.** We encourage your participation and remind you to book early as space is limited. Please note that two free tickets for the seminar (valued at \$300.00 and includes wine & cheese and meals) will be available to any Exhibitor purchasing a display table for \$500.00.

**Note: Set-up time for Exhibitors will be any time after 3:00 p.m. on Tuesday, December 5. The seminar will be held in the Cedar Room at the Park Town Hotel.**

**SPONSORS** also have an opportunity to share information and sponsor materials. Sponsors who contribute \$500.00 or more (Gold level or higher) may provide information and/or materials that will be made available to conference participants and will receive recognition at the seminar and on our website. Sponsors will also be provided with two free tickets for the seminar (valued at \$300.00).

A sponsor/exhibitor registration form is attached.

We are excited about the seminar and what is being presented this year. On Tuesday, we are planning a session on Continuing Education Units (CEU) for operators of Utility Boards (Operators must earn 1.0 CEU every two years to qualify for renewal of their certificate) and Tuesday evening we offer a wine and cheese along with a live and silent auction for our participants. Wednesday brings a day of great speakers, great information sessions, great exhibitors and great food!

A seminar agenda will be available soon!

We expect approximately 80 – 90 participants this year and items can be forwarded to Colette Duffee at 610 Pendygrasse Road or the address listed above.

For your information, participants of this seminar may include:

- Pipeline water users (Farmers, Businesses, Rural Residents, Cottage Owners, Indian Bands)
- Government Agencies, Contractors, Suppliers, engineering consultants, Tribal Councils, Regional Economic Development Authorities, Hamlets, Towns and Cities interested in supplying or connecting to rural water pipelines.

We request your support so that we can continue to provide Saskatchewan with a first-rate event. If you are interested in being a sponsor or exhibitor or have any questions please contact Colette Duffee at 306-361-0919, 306-220-9807, or email [info@sarwp.ca](mailto:info@sarwp.ca).

Thank you for your consideration as a sponsor and/or exhibitor.

Sincerely,

*Miles Jorgenson*

Miles Jorgenson, Chair  
Sask. Assoc. of Rural Water Pipelines, Inc. (SARWP)
