JOIN US FOR AN EVENING FUN AT OUR LIVE AUCTION AND WINE AND CHEESE!

This year's seminar has it all! Join us December 5th & 6th, 2023, for operator training, an event for administrator's and the seminar at the Park Town Hotel in Saskatoon. Register now and receive a chance to win registration to the operator's training and seminar next year!

I have attached a draft agenda for preliminary review. We have very interesting content scheduled for this year:

Dawn Dierker with Advanced Municipal Solutions will provide the operator's training on Standard Operating Procedures (SOP's).

Jennifer Crone with SHL Rural Pipeline Association will facilitate our NEW Administrator's Training and Networking event! This event will take place at the Parktown on Tuesday, December 5th, 2023, and will give Administrator's an opportunity to meet, network, and ask questions. Administrator's, please come prepared with your questions, concerns, and ideas for future sessions!

Quinn La Valley with TSASK will be presenting on regulations governing cross connection control in Saskatchewan, responsibility of water purveyors, backflow devices used for premise protection and low pressure/drip system installations.

Keri Desjarlais with the Water Security Agency (WSA) will provide an overview of shared-systems, their successes and challenges, and discussion on some factors to consider for future partnerships.

Shannon Doka with SCGA/Sask 1st Call will provide an overview of SCGA (Saskatchewan Common Ground Alliance) and its recent acquisition of the Sask 1st Call program.

Dale Ledoux with Victory Training will present on basic safety training and the importance of reporting.

Lisa Oakland with Rural 44 Water Utility will present on the history and operations of their utility.

Lee Reinhart with WSA will be back this year to provide an update and

GOOD NEWS!! ClearTech Industries will once again be available to clean your water testing equipment while you attend the operator's training on December 5th! This includes checking, cleaning, calibrating and verification. Your equipment will be available to pick up at the end of the day. Attached is the price list for testing the equipment. **Please call ClearTech prior to the seminar to book your calibration and to pre-pay** (information sheet attached).

We will be holding all events at the Park Town Hotel in downtown Saskatoon again this year. The **Park Town Hotel** is located at **924 Spadina Crescent East, Saskatoon, SK S7K 3H5**. A block of rooms has been set aside for those attending the seminar at a rate of:

Standard Queen Room \$129.00 plus taxes	Executive King Room \$149.00 plus taxes
--	--

The current above ground parking rate is included in the cost of your guest room. Heated underground parking is available at \$12.00 + tax per day. Please call the front desk at the Park Town Hotel at 1-800-667-3999 (or local in Saskatoon at 306-244-5564) to reserve your guest room. You will have until **November 30, 2023** to book under our guest room block. **Please indicate that you are booking under the block code 2312SARWP.**

If you would like to register for our 2023 Annual Seminar, please complete one of the attached registration forms and send it to Colette via email or regular mail.

If your organization is not a member and would like to be, or you have an interest in serving on SARWP's Executive please contact Colette at infor@sarwp.ca.
